As a new member of our Parish Community, we warmly welcome you. If you are a new family, then every member of the family will find something in our parish that will interest and involve you in our Catholic life. Our Parish Directory available either from our website or from the back of the Church gives further details of ministries in the church that would welcome your help.

To make sure we have your accurate details on our records for our Parish Census, please complete the information below and either return it online to the email address above or drop it in at the Presbytery next time you are passing.

Please do make yourself known to Canon Anthony, Fr. Daniel or Deacon David next time you are at Mass.

Thank you.
